	Distribution for pick-up orders will be April 24-25th from 9:00 a.m. – 6:00 p.m.			PLEASE DO NOT ADD SALES TAX!

Please Read: All seedlings are bare root. Stock may be used for wildlife habitat, erosion control, reforestation, windbreaks, landscaping, Christmas trees, etc. All trees and shrubs sold are to be used for the above conservation practices. All trees and shrubs are sold with the understanding that they will not be removed from the planted site for resale with the roots attached. Orders are filled on a first-come, first-serve basis; while supplies last. The District reserves the right to refund payment on species and items if they should become unavailable. Because the District cannot check a planting location, nor guard against improper handling and planting procedures or weather related problems, the District will not be responsible for replacement or refunds of orders after distribution has taken place. Returned checks WILL NOT be resubmitted. Bounced checks will incur a \$20 fee. In such situations, the only forms of payment accepted will be money order or cash.
